

Litigation Support

Overview

PCC was retained by Nixon Peabody, LLP law firm on behalf of its client , a healthcare provider, to serve as a testifying expert on the damages.

Approach & Methodology

- Reviewed opinions prepared by two experts retained by opposing counsel
- Analyzed the client's financial documents to determine defensible damages
- Wrote and opposing opinion reporting the shortcomings of opposing counsel's expert opinions
- Prepared a graphical presentation to support our testimony
- Supported attorneys during their deposition of the opposing experts
- Testified as an expert at the trial

Benefits

Judge ruled in favor of Nixon Peabody's client explicitly agreeing in his opinion with the damages analysis by citing PCC's opinions in his ruling.
